Yellow for friendship.Pink for passion. But . . . Red Roses Mean Love. She dreamed of roses.... Orphaned and abandoned by her fiance, Hayley Albright is determined to care for her younger siblings even if it means having to give up her own dreams. She doesn't expect to ever find love or get married . . . until one moonlit night when she saves the life of a mysterious stranger. . . . And he wants only to make her dreams come true.... Lord Stephen Barrett woke up gazing at the face of an angel. He was alive. And safe, for now, from the killer stalking his every move. Allowing Hayley to believe he is just a tutor of modest means, Stephen stays on for reasons of his own, never anticipating the passions Hayley would stir in his cold, wary heart. Her innocence is pure seduction. Her touch is sweet temptation. And suddenly the man who has everything is willing to risk it all--for a woman who has nothing to give . . . but all her heart. . . .
