Resources for Writers is the first textbook of its kind to fully meet the needs of the developing college writer AND the developmental writing educator. The integration of comprehensive skill instruction, a wealth of exercises, and a lab manual make Resources for Writers the most complete resource for developmental writing at the

paragraph to essay level. Resources for Writers uses writing process and a modes approach to teach paragraph development. This combination ensures a thorough and highly effective learning experience. The completely modular chapters feature sample writings on cultural literacy themes, exercises, and step-by-step writing prompts. The grammar section also contains exercises designed to assist students in mastering skills. The text's Lab Manual consists of workbook activities for each text chapter that are supplemented by additional, correlated activities in the Online Lab Manual.
