This guide helps students, teachers, and librarians identify popular works of nonfiction

related to particular themes. Included are alphabetically arranged entries on 50 themes, such as Animals, Exploration, Genocide, Immigrants, Poverty, and Race Relations. Each entry begins with a definition and discussion of the theme, followed by critical summaries of 3 or 4 works of nonfiction. The entries conclude with lists of additional nonfiction for further reading, and the Guide closes with lists of additional themes and related works.
