Oxford School Shakespeare is an acclaimed edition especially designed for students, with accessible on-page notes and explanatory illustrations, clear background information, and rigorous but accessible scholarly credentials. In this edition of *The Tempest*, illustrations have been extended and updated; the preliminary notes have been expanded; reading lists have been updated, and include websites; and the classroom notes have been brought in line with recent practice. *The Tempest* is a set text for 11-14 year olds in England and remains one of the most accessible and popular of Shakespeare's plays for secondary students the world over.
