出版时间:2006-3-2

装帧:Paperback

isbn:9780198321521

Oxford School Shakespeare is an acclaimed edition especially designed for students, with accessible on-page notes and explanatory illustrations, clear background information, and rigorous but accessible scholarly credentials. In this edition of The Merchant of Venice, illustrations have been extended and updated; the preliminary notes have been expanded; reading lists have been updated, and include websites; and the classroom notes have been brought in line with recent practice. The Merchant of Venice is a set text for 11-14 year olds in England and remains one of the most accessible and popular of Shakespeare's plays for secondary students the world over.

-----  
我觉得比其他的莎剧都好看....而且,我理解它为,悲剧

-----  
It is one of Shakespeare's play that's relatively easy to read and understand (well, compared to macbeth). There are some interesting speeches about how we value people. The greatest impression the play gives me is how tragic the character Shylock is. It would be nicer if Shylock can have a better ending.
