Prokofiev's first symphony, which he mischievously dubbed "Classical," is a sprightly piece based on the symphonic models of Haydn. The composer's synthesis of 20th-century harmonies and timbres with 18th-century structure and form has captivated audiences since its premiere in 1916. This is Prokofiev's most frequently performed symphonic work.

评论

有原版，这回读得是1959的莫斯科版，才知道普一的三乐章竟有两个版本
