East was East and West was West, until the two met and inspired a cultural mélange of designs. This collection of quirky Japanese prints captures the excitement and curiosity of the era when Japan was first opening up to the West. These note cards from the Land of the Rising Sun are sure to illuminate your imagination.

16 cards, 4 each of 4 images, with 17 envelopes, 4 38 x 5 78 inches, in a lidded, two-piece box
