著者:Malins, Steve

出版者:Trafalgar Square

出版时间:2007-1

装帧:HRD

isbn:9780233001784

Written with the band's co-operation, Steve Malins' biography throws light on this

private, frequently misunderstood group and their lives, which have been bizarre, hilarious, extreme and destructive through nearly 20 years of constant success and excessive celebration. Now fully updated and expanded with an additional 10,000 words, new cover and enlarged format, this new edition will coincide with the band's first world tour in over 3 years as they promote their brand new album "Playing the Angel".
