出版者:Dover Publications

出版时间:1962-6-1

装帧:Paperback

isbn:9780486202686

Probably the most delightful, useful, and comprehensive elementary book available for learning spoken and written French, either with or without a teacher. Working on the principle that a person learns more quickly by example than by rule, Lemaitre has assembled colloquial French conversations on a variety of subjects, as well as grammar, vocabulary, and idiom studies. Index.
