Featuring two PsyCop novels, *Among the Living* and *Criss Cross*, this volume will leave you on the edge of your seat, wanting more. In *Among the Living*, Victor is a PsyCop, also known as a member of the Paranormal Investigation team. He's not popular with the living, as most people consider him a little odd, but the ghosts of violent crimes can't wait to tell him all about their deaths. His new case pairs him with Jacob, a non-psychic who works in sex crimes. Victor and Jacob have a history, and as they work together to solve a set of serial crimes, they begin to explore the possibilities of a future. The case is like nothing they've ever experienced, and soon Victor finds that he's the only one who can solve the crime, and save Jacob's life. If he's not too late. In *Criss Cross*, Vic figures life is pretty good. He's got his lover, Jacob. He's got some time off to go fishing, and his new partner in the Paranormal Investigation Team buys the coffee. Naturally, nothing that good can last. When Vic starts to see ghosts everywhere, things go very wrong, resulting in a trip to his doctor, who says he's got problems. Vic's friends tell Jacob he has to leave for Vic to get better, sex is starting to get dangerous, and Vic's abilities are getting out of hand. Can he and Jacob figure out what's happening in time to save Vic from becoming a pawn in a dangerous game?
