isbn:9780876302286

This classic text focuses on the features of K?F?D that have emerged after more than 12

years of clinical experience with 10,000 drawings. One-hundred and thirty drawings are reproduced, showing common characteristics of K?F?D figures and the varied actions and symbols that reflect relations between family members. Included are a K?F?D Grid and an Analysis Sheet to assist clinicians in interpreting their own patients' K?F?Ds.
