ANYONE CAN WRITE AND PUBLISH A BOOK-LAY IT ONCE YOU STRUCTURE YOUR IDEA INTO A SHAPE, CREATIVITY WILL TAKE OVER -BARBARA ROSE BROOKER- "Barbara Rose Brooker could teach anyone to write a novel because she believes we all have stories to tell. WritingAerobics tells her stories about being a writer, and helped me develop mine." "-Kelly Barrington" "Writing Aerobics," after years of writing workshops, led me into myself and my story and a published nonfiction book." "-Joan Haywood" "I enjoyed "Writing Aerobics." I felt as though I were in Barbara's class. "Writing Aerobics" teaches a lot about craft and at the same time her stories as writer had me laughing and crying." "-Bradley Bessey-Producer/ET" "I started the book late last night and just loved it. It reads quickly. I can't wait to get back to it." "-Joan Rivers" ""Writing Aerobics-A Writers Journey" is a must read for every new and old writer. I laughed and cried and at the same time learned an easy process." "-Riki Rafner-TV PRODUCER"
