"Bill Curtsinger leads us on an amazing adventure under the antarctic ice. His dazzling photos reveal abundant life in the icy waters beneath a frozen desert few have experienced." -Bill Allen, Editor, National Geographic "'Life Under Ice' is a wonderful introduction to the rarely observed habitat beneath antarctic ice. This book for young readers will take them to a unique landscape teeming with strange creatures. Bill

Curtsinger's passion for photographing life in remote places, under extreme conditions, is surpassed only by his desire to share this beauty and fascination with children." -Susan McElhinney, Photo Editor, Ranger Rick
