Over 600 artful watercolor renderings of window treatments combined with a CD of all the images make this the most useful, practical book available. Professional decorators and homeowners alike will love it. This book is an invaluable resource that

will inspire you. A wide range of designs from traditional flowing swags and long jabots to modern styles with simple lines and colors make hundreds of combinations possible. You can mix them to create your own unique window dressing. A variety of large windows, like those commonly found in new houses, make this book unique. The CD allows you to use these wonderful images with most graphic, design, and editing programs, enabling you to see how different treatments will look on your own windows. For those less computer saavy, these images can easily be printed and cut out. Hours of interactive fun!
