Drug dealer? Hooker? Blackmailer? Kenna Jones was the last person to have contact with a murdered federal informant and DEA Agent Drake March goes undercover during the Sturgis Motorcycle Rally to find out just what her relationship to the dead man was. One problem--from the moment Drake encounters the gorgeous, hot-tempered chameleon--he doesn't trust her--or his immediate attraction to her. Kenna's situation can't get worse. Posing as arm candy for rich bikers is a humiliating way to earn tuition. But the financially strapped grad student has no choice. And it appears too-sexy for his badge Agent Drake March isn't giving her a choice either. He threatens to have her arrested if she refuses to cooperate in his investigation. But bullets fly and Kenna's life is in danger from an unknown threat. Drake's protective instincts kick in when he realizes sweet Kenna is innocent--and in far over her head. Lust, fear and desire make for a volatile combination in the hedonistic atmosphere, leading Drake and Kenna into taking a dangerous ride on the wild side--with explosive results. With their lives at stake, will they learn to trust each other before it's too late? Or will the devil come calling and finally get his due?
