出版者:Yale University Press

出版时间:1986-09-10

装帧:Paperback

isbn:9780300037364

This full and definitive treatment of the whole body of Milton's poetry, written by one of the country's most eminent Milton scholars, was originally published under the title Poet of Exile. With a new title and an introduction developing the theme of exile, it is now issued in paperback for the first time.
