isbn:9780879305734

This handbook for bass players includes: how to buy a bass; choose amps and effects; set-up tips; and electronics know-how. It features chapters which cover basic playing, theory, essentials of jazz, blues, rock, country and other styles, recording techniques

and live performance tips. Also included is a colour gallery of landmark bass models such as the Fender Precision Bass, and insights from bassists including Paul McCartney, Stanley Clarke, James Jamerson, Les Claypool, Michael Manring and Jaco Pastorius.
