A snow monkey emerges from the streaming water of natural hot springs; a Camargue horse streaks through water in a blur of movement; brown bears from Alaska wait in a waterfall for sockeye salmon; scarlet and blue-yellow macaws sweep across the Peruvian sky...As renowned conservationist Jane Goodall says, 'Steve Bloom's photographs speak directly to the heart.' His unforgettable images will entrance and inform a wide audience.

作者介绍:

Steve Bloom is the author of several books on the natural world, including Elephant! and Untamed.
