Learn the fundamentals of acoustic guitar, from your first chords and beyond Whether you're a beginning or an intermediate acoustic guitarist, chords are the foundation for

the songs you play. Here's a book that teaches you the real-world chord voicings, shapes and progressions used by today's top acoustic players. Not a chord encyclopedia, Acoustic Guitar Chord and Harmony Basics shows you what you really need to know, and offers valuable tips and tricks to help you understand and master the sounds of bluegrass, blues, folk, rock and roots music. The accompanying CD features all of the examples played slowly and up to tempo.
