Compiled from more than four hundred hours of channeling by Barbara Marciniak, *Bringers of the Dawn* imparts to us the wisdom of the Pleiadians, a group of enlightened beings who have come to Earth to help us discover how to reach a new stage of evolution. Master storytellers and humorists, they advise us to become media-free, to work in teams, and to eliminate the words "should" and "try" from our vocabularies. We learn how to go beyond fear, how the original human was a magnificent being with twelve strands of DNA and twelve chakra centers, and who our "gods" are.

Startling, intense, intelligent, and controversial, these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our collective conscious — and unconscious. By remembering that we are Family of Light, that we share an ancient ancestry with the universe around us, we become "bringers of the dawn," consciously creating a new reality, a new Earth.

"An underground sensation." — Publisher's Weekly

The Pleiadians are a collective of multidimensional spirit beings from the Pleiades star system, and have been speaking through Barbara Marciniak since May of 1988. The Pleiadians are here to assist humanity with the process of spiritual transformation in the years leading up to December 2012. Their distinctive style blends wit and wisdom, common sense, and cosmic knowledge in teachings that encourage expansive thinking and personal empowerment, and which have been compared to native shamanism.

Barbara is one of the harbinger in Channeling and in my personal view, she has done an amazing job with Pleiadean Guide to introduce the ideas of higher realm and galatic wisdom to mankind.
