Gain some real Nashville chops and start your own country twangfest with Essential Country Guitar Technique Starting right now you can become a country guitar

daredevil by playing the exercises found in these pages. Twelve solos that demonstrate each technique are included so you can take your new-found skills for a test drive - and take charge of some hot country music while you're at it You'll learn: Travis picking, pedal steel bends, country swing techniques, bluegrass-style banjo rolls, and much more Recorded demos of every music example and solo are included on the CD.
