International business in the 21st century requires a new kind of dictionary. This dictionary fulfils that need. The dictionary is designed to facilitate business between Portuguese and English-speaking countries. The first of its kind, to provide the business terms of the United States and Brazil and Portugal, this is an invaluable tool for communicating in the global market. Up-to-date business terms including banking, the internet, computers, accounting, insurance, real estate, taxes, and more, designed to facilitate communication and cross linguistic barriers.
