A new book on Vastu from the authors of the Altars of Power and Grace -nominated for six awards including Best Book 2005- The Way of Vastu is a powerful guide to attracting balance and abundance. Expanding on the wisdom presented in the Altars, this exquisite new offering includes a wealth of practical suggestions for bringing harmony into your home, your office, and your life. Vastu is more powerful than Feng Shui in harnessing nature's beneficial energies and correcting any imbalance that blocks the flow of abundance. When you live in environments properly aligned with the forces of nature, the entire universe comes rushing to your aid
