From Cecila Tan and Lori Perkins, two of the best connected women in erotica today, comes what could become Blue Moon's most successful title in recent seasons. Here, for the first time ever, is an anthology of short erotic stories centered on the theme of MILFs. MILF, if you haven't seen the movie American Pie, stands for "mother I'd love to f\*\*\*"). More specifically, these are stories of horny young men and the voluptuous older women they crave. For legal reasons, the characters in the stories are all over 18 years of age, but there is plenty of "Mrs. Robinson" spark. (Think about a hottie like Ashton Kutcher getting it on with sexy mom Demi Moore and you are going in the right direction.) Inexperience meets experience—does the wiser, savvier older woman tame the young buck, or set him free in a whole new way? Or does he teach her some new tricks?
