There's No Place Like the Stage for the HolidaysHearts and minds are a little more

open to theatrical entertainment during the holidays. At one end of the holiday emotion-o'-meter you anticipate the special day. At the other end, the needle buries itself in the red zone as stress overshadows the fun of the season."Life Scripts for the Church: Holiday" includes 24 holiday sketches-tightly-written, heart-touching, and often side-splitting. There's always a holiday around the corner, and a script for every occasion-Christmas, Easter, Mothers' Day, Fathers' Day, New Year's Day, and Thanksgiving. Paul Joiner, one of America's leading church drama experts, coaches you on how to produce drama even in the midst of sickness, vacations, visiting relatives, homework, and nervous breakdowns that always seem to hit the holidays head-on. Plus, every script contains dramatic cautions and cues to make production less stressful."Compelling drama for your church. Less stress for you. Even during the holidays."
