Teens on a quest to begin or deepen their magick practice need to journey within to unleash their unique abilities. Through a series of journaling exercises, THE

ENCHANTED DIARY will help girls tap into their personal magickal powers while exploring the basics of witchcraft. A companion to the best-selling TEEN SPELL BOOK, this interactive journal features dozens of checklists, quizzes, and exercises to guide young witches to self-acceptance and awareness of the magick inside. This pretty tome offers plenty of space to write and doodle and will prompt creative magickal discovery with tests to Find Your Element, Unearth Your Clairvoyant Powers, and Learn What the Tarot Says about You. Beloved Wiccan author Jamie Wood explains the basics of witchcraft and presents spells for self-acceptance, courage seeking, self-pampering, and more. Also included are potions to create Perfectly You Perfume, Faery Dust, Kissable Lips, numerous other special concoctions, and a practical guide for using the tools of the trade, such as stones, colors, and herbs. Like a faery godmother, THE ENCHANTED DIARY will teach young magick seekers to develop their talents while gaining self-respect and inner strength.
