isbn:9781893951105

Our 2nd book of facts about bizarre feats of the human, material and natural world. It is a solid reference work of the strange but true. It shows the world through Ripley's eyes as something that is wonderful and weird, awesome in its variety, jaw-dropping in

its uniqueness. This book juxtaposes the quirky, bizarre, outrageous world of people with the pure fascination of the natural and physical world.
