isbn:9781582973302

With a wealth of useful examples, Give 'Em What They Want gives fiction writers what they need: all the ins and outs of crafting a killer pitch for their novel. The book: Features dozens of sample queries, synopses and chapter outlines - all the elements critical for a successful pitch Provides valuable advice from agents, editors, and bestselling authors, giving readers an "insider" edge Shares additional and rarely covered advice on how to pitch in person and how to revise and resubmit after rejection An overview of the entire publishing process, this book is a must-have for any fiction writer.
