(Book). Every musician could benefit from having a soundproof place to practice their art. Keep the Peace! provides practical suggestions for creating just such a space. So if you're a guitarist who'd like to unplug the headphones from your Rockman and crank

up that Boogie, or if you're a drummer who'd like to work on a new lick but it's past your daughter's bedtime, or if your band is on a first-name basis with the local police because of your neighbor's complaints, then this book is DEFINITELY for you.
