Twelve-year-old Andy Bonner isn't thrilled with his teacher's assignment to explore family history. When he starts asking questions about his ancestors, he is startled to discover a black sheep in the family tree. No one wants to reveal what happened in his family's past. But Andy is determined to break the silence. Casting his net widely, from the Internet to the local cemetery, Andy's search helps everyone realize it's never too late to seek justice. An IRA Teacher's Choice.
