At age 28, Frances Kermeeen gave up her life in California to follow her dream of owning an inn - little did she realize that she was being drawn to her destiny. In the eight years that Frances owned the Myrtles Plantation, she was confronted by phenomena's far stranger than just ghosts - incredible encounters that blew away her core beliefs. But not only did she have spiritual adventures, she also had her real life to deal with: betrayal, the infidelity of her spouse, the tragic loss of friends, rape, racism, and death threats from the Ku Klux Klan. Join Frances as the explosive ending to this real-life drama erupts and her past and present converge into one catastrophic event. Frances's journey is the stuff of the very best ghost stories - only these events are as real as the Myrtles Plantation itself.
