isbn:9780618249534

The cat will never get your tongue once you have The American Heritage® Dictionary of Idioms. This book defines nearly 10,000 idioms expressions consisting of two or more words whose combined meaning is different from the literal meaning of the individual words. Each entry has both a definition and a sentence showing the idiom used in context. Most entries offer an explanation of the idiom's origin and indicate when the expression first appeared in English.
