Amazing Colorado is full of fun ways to learn more about the Mile-High State. From word searches to secret codes, over two dozen different kinds of puzzles highlight important facts about the 38th state in the union. Designed to help fulfill basic

educational requirements, Amazing Colorado is an entertaining and engaging way to introduce children and adults to Colorado's birds, trees, fish, famous people, history, and much more. From easy to challenging, these puzzles will delight everyone from ages 8 to 108. Includes over 40 puzzles and an answer key.
