(Book). Melody is the true heart of music, often inspired by nothing more than the songwriter's muse. Yet melody can be learned. This book teaches the art of melody

and how to write effective tunes. Starting from basics, it covers the essentials rhythm, intervals, scales, and harmony and builds to offer a wealth of advanced techniques and tricks. Every musical example in the book is also on the CD, allowing musicians to increase their awareness of melody through both sight and sound.
