The jazz idiom can often appear mysterious and difficult for musicians who were trained to play other types of music. Long-time performer and educator Rob Mullins

helps players enter the jazz world by providing voicings that will help the player develop skills in the jazz genre and start sounding professional right away - without years of study Includes a "Numeric Voicing Chart," chord indexes in all 12 keys, info about what range of the instrument you can play chords in, and a beginning approach to bass lines.
