The Light's Way is artist Judy Pelikan's wonderful companion to The Heart's Journey. In 12 original illustrations, Pelikan reveals the life-giving force of light by relating sunlight to color: without sunlight, our natural world is gray, consisting only of patterns, shapes, shadows, and at times, sorrows. At the same time, The Light's Way shows how the nurturing inner light of the spirit has the power to make our lives colorful and blessed with happiness. The Light's Way is an inspirational lesson that

urges us, or someone we care about, to choose light and bring color, physically or emotionally, into the world.
