Basic Skills with Math is a popular Cambridge series by well-known adult education authors, Jerry Howett and Connie Eichhorn. This program contains 7 books and has been developed for Pre-GED students preparing for the GED Mathematics test. Whole Numbers, Fractions, Decimals, Ratios and Percents, Algebra, Geometry and General Review are all presented in the context of workplace and real-life applications. Key operations such as estimation, measurement, data analysis, and calculator activities are reinforced throughout the series. Ample practice and carefully paced instruction ensure adult learners gain the critical skills and the practice necessary for more complex math instruction at the GED level.
