著者:Eisenberg, Ronni/ Kelly, Kate

出版者:Hyperion Books

出版时间:1999-1

装帧:Pap

isbn:9780786883820

Ronni Eisenberg, author of the popular but slightly more intimidating Organize Yourself!, has deconstructed the potentially hair-raising projects of getting the house in order: organizing closet space, filing household documents (do you know for sure if junior needs a tetanus shot anytime soon?), finagling some counter space in the kitchen, and even keeping photo negatives from seeming to multiply like rabbits and threatening to overtake the living room. Eisenberg reveals how to trim daunting tasks (like clearing up the garage) into manageable chunks. If you're frazzled with worry about what sort of critters may be nesting in your attic or have gone 15,000 miles without an oil change or find yourself at the checkout of the grocery store grappling to find that Cheerios coupon that you know you stuffed in your wallet, only to find it two months later in the back of kitchen junk drawer, sadly expired, this book's for you.
