isbn:9780761114642

New for Spring are four titles: Wildflowers, The Body, Explorers, and Composers. Wildflowers: large, bright die-cuts - often as big as the flower or even bigger - and true-to-life colors make this foolproof way to identify 47 of North America's wildflowers. For kids who are learning it all for the first time, and grown-ups who want to get it straight, Fandex puts knowledge at your fingertips.
