For this follow-up to his popular A Desktop Reference of Hip Vintage Guitar Amps, Gerald Weber has compiled his articles and "Ask Gerald" columns that have appeared in Vintage Guitar from 1993 to 1996. As a special bonus, Ken Fischer's "Trainwreck Pages" from Vintage Guitar are also included. This book assumes that the reader has at least a working knowledge of tube guitar amplifiers, and it will be helpful and interesting whether or not guitarists intend to perform their own servicing.
