

Twenty Tellable Tales

[Twenty Tellable Tales 下载链接1](#)

著者:Margaret Read MacDonald

出版者:American Library Association

出版时间:2004-10-01

装帧:Paperback

isbn:9780838908938

A master of communicating in the story format, MacDonald engages readers just as she does her young audience members in story circles worldwide. She shares a gold mine of practical advice so that both veteran and inexperienced storytellers can: - Find your unique voice to make the stories your own- Build up a sure-fire story repertoire quickly, and expand it easily using McDonald's recommended resources- Identify traditional story variants to wow audiences- Prepare and rehearse for success using techniques honed over 40+ years- Find the best tales for your style and audience
