isbn:9780252068812

"Impeccable scholarship and lavish illustration mark this landmark study of American

railroad folksong. Norm Cohen provides a sweeping discussion of the human aspects of railroad history, railroad folklore, and the evolution of the American folksong. The heart of the book is a detailed analysis of eighty-five songs, from "John Henry" and "The Wabash Cannonball" to "Hell-Bound Train" and "Casey Jones," with their music, sources, history, and variations, and discographies. A substantial new introduction updates this edition. "
