著者:Lazenby, Gina

出版者:St Martins Pr

出版时间:1998-4

装帧:Pap

isbn:9780823016549

In "The Feng Shui House Book" book you will learn how changes to the interior design of your home--color, furniture placement, organization and storage, art and ornament display, smooth and flowing lines--will be echoed by changes to your life. Different arrangements will affect the movement of energy in your home and workplace that will, in turn, be reflected in your wealth, health, happiness, opportunities, and feelings

of peace.
