If you want to study Paganism in more detail, this book is the place to start. Based on a course in Paganism that the authors have taught for more than a decade, it is full of exercises, meditations, and discussion questions for group or individual study. PAGANISM presents the basic fundamentals: what Pagans are like; how the Pagan sacred year is arranged; what Pagans do in ritual; what magic is; what Pagans believe about God, worship, human nature, and ethics.
