著者:Herman, Deborah/ Black, Cynthia

出版者:Pocket Books

出版时间:2001-8

装帧:Pap

isbn:9781582700663

The special task of spiritual writers is to learn to accommodate the commercial needs of publishers while remaining true to their mission. Focusing on such practical aspects of getting published as query letters, proposals, and editing, as well as finding agents and publishers interested in spiritual material, Deborah Herman guides the spiritual writer in a continuous process of self-discovery.
