出版者:Farrar Straus & Giroux

出版时间:2002-3

装帧:Pap

isbn:9780571199914

Having taught playwriting for ten years, Stuart Spencer could find no effective handbook for his courses - so he finally wrote his own. The result, "The Playwright's Guidebook", is a concise handbook full of the kind of wisdom that comes naturally with experience. Spencer presents a coherent way of thinking about playwriting that addresses the important principles of structure, includes insightful writing exercises that build upon one another, explores the creative process and trouble-shoots recurrent problems that playwrights actually face.
