This comprehensive English-Hebrew dictionary is designed for easy use, speed and accuracy. Its 30,000 entries include many contemporary technical terms, recently

coined Hebrew words, and translations for common idioms. It aims to address the need of its users to match words that have multiple meanings with their exact Hebrew equivalents. By listing various meanings of each English word and providing the corresponding Hebrew for each, the dictionary should enable its readers to capture the appropriate meaning of the English word to be translated with accuracy. This dictionary features: 30,000 entries; user-friendly listings for accurately translating words with multiple meanings; many newly coined and slang words; common idioms; detailed preposition entries; an easy-to-read format; vocalization of Hebrew words; acronyms; and gender identification and plural forms of irregular nouns.
