The "Encyclopedia of Contemporary Christian Music "is a comprehensive guide to contemporary Christian artists and to secular artists whose faith has affected their life and work. This definitive reference book for fans, families, libraries, and the music industry contains 1,900 informed and insightful entries on major and minor artists from

the '60s to the present day. These essays provide band member lists, complete discographies, lists of awards, artist website addresses, biographies of the artists, and reviews of the work they have produced.
