装帧:Paperback

isbn:9780415936842

In *Strange Sounds*, Timothy D. Taylor explains the wonder and anxiety provoked by a technological revolution that began in the 1940s and gathers steam daily. Taylor discusses the cultural role of technology, its use in making music, and the inevitable concerns about "authenticity" that arise from electronic music. Informative and highly entertaining for both music fans and scholars, *Strange Sounds* is a provocative look at how we perform, listen to, and understand music today.

作者介绍:
