-- Between 112-130 species in each state -- No need to look through dozens of photos of birds that don't live in your state.-- Full-page photos with corresponding full-page

descriptions.-- Easy-to-use color guide. See a yellow bird and you don't know what it is? Go to the yellow section -- Range maps showing where in the state you'll find the birds in summer, winter or all year.-- Stan's Notes include naturalist information and interesting "gee-whiz" facts.
